I found this website on the Internet that has full songs of famous artists like Drake, Eminem, and Kendrick Lamar. The reason why it's called "audiorealism" is because each song sounds like it was recorded with an actual recording device. Here are some examples of songs I found on this website: - Drake - Hotline Bling (feat. Majid Jordan) - Eminem - Without Me (feat. Pink) - Kendrick Lamar - DNA (feat. Zacari) - Post Malone - Stay (feat. Alessia Cara) Here are some ways I found this website on the internet: - Google: https://www.google.com/?gws_rd=ssl#q=audiorealism+songs&v&&imgdii=%257Cupload.wikimedia. org%25253A%25252FPortals.dubai%25252FPage_of_Statues.jpeg&*&spf=1570888300151 - YouTube: https://www.youtube.com/results?search_query=audiorealism+songs&gs_l=desktop-gws-serp.3..0j0i22i30j0i22i30.3664.5971.2.6702...00...1ac.:5EGoogle+Search - Reddit: https://www.reddit. com/r/audiorealism/- Songs website: https://songs.to/ Here are some of its features: - Every song is in high quality - No viruses or malware detection - Works on mobile phones and computers with no downloads or installations required - You can listen to the songs won't pause when you get a notification on your phone. You can also use the site while listening to music because it has no pauses between songs. - You can also purchase songs which cost \$1.99. Songs can be purchased in a pack of 12, 20, or all in one pack. Songs can only be purchased a certain number of times in a month. Here are some different kinds of websites have different features from audiorealism does have some similar features such as high quality music and no downloads required for mobile phones and computers with no advertisements which makes it affordable for people who want to spend it on other things.
